# What next?

- More of the same – projects that meet community need and support our organisational values
- An Active Travel Hub for Fife
- Support for other groups and organisations
- Green skills employability and training
- Reduce our own impact – carbon neutral by 2030
- Increase our equality, diversity and inclusivity
- Diversify our funding

# Our learning and top tips

1. Be patient – everything takes longer than you think
2. Start small and build up
3. Make the most of networks and help available, learn from others and partner up
4. Get the right people on board
5. Value staff and volunteer wellbeing, development and ideas
6. Be prepared for change management
7. Diversify your funding streams
8. Be community-led
9. Stick to your values
10. Be flexible and don't be afraid to fail
